Chateau Vieux Moulin Corbieres, France

Chateau Vieux Moulin is a domain 100% certified organic. The vineyards are located in Montbrun des Corbieres, on a hot and dry terroir. The domain is more than 2 century old and is now run by Alexandre They who took over the estate in 1998 with his wife Laurence.

Alexandre is a young and visonary winemaker who distinguished himself in the region by making authentic Corbieres wines. Alexandre and his wife beleive in growing their vineyards under the best environmental practices, preserving high level of biodiversity and preserving the natural resources. The respect of nature's systems and cycles is key in making terroir driven wines.

All wines are fermented with native yeast and made with minimal intervention.

Chateau vieux Moulin is a blend of Grenache, Carignan, Syrah and Mourvedre showing fruit purity and freshness. Aromas of violette, spices (black pepper), and blackcurrant.
