Tanagra Syrah Casablanca, Chile

Villard Fine Wines was established in 1989 by Thierry Villard as Chile's first family premium boutique wine company, making him one of the pioneers in the Valley. Over the last two decades, it has consistently been recognized as one of the best producers in Casablanca .

Using the Valley's exceptional terroir and unique characteristics, the new generation, Charlie Villard, has introduced innovating winemaking techniques to create new premium wines of structure and elegance.

Located at the foot of the Coastal Mountain range, the Casablanca Valley is 75 km west of Santiago and 35 km from the Pacific Ocean. Casablanca valley is influenced by the Pacific Ocean and especially by the cold Humboldt current. It receives the influence of the sea in the form of cool sea breezes that extend the ripening period of the grapes.

Tanagra Syrah offers a combination of powerful fruits, leather, with ripe tannins. It is a full bodied wine, with integrated oak and a vivid acidity that makes it a well balanced wine, with a long finish and an excellent potential for further ageing.
